

Meeting 7 December 2006 Eucoba & Coban Networks

Consensus about:

- Complete exchange of information: annual reports as well as day to day information
- Direct links between the three website sections on collective bargaining and information database
- Full cooperation in setting up and coordination of the reporting system and all practical elements of the network
- Full integration of the three network correspondents groups, all information immediately available to all

EMF Executive Committee 11-12/12/06
